

2015 ROUTES AND HIGHLIGHTS - "LEÃO HOLANDÊS"

All of our routes are flexible and may suffer alterations due to weather conditions and tides.

In order to preserve the well-being of the passengers, the CASCAIS route is not recommended between the months of October and April, due predominantly southerly winds, which cause large undulating swells. If this route is chosen, we reserve the right, to refuse this option until last notice, if the weather conditions jeopardises the safety and well-being of the passengers.
